Prospects for 2025:

With regard to renewal of our members from 2024, we were sadly notified during 2024 that two members (including one life member) had died. One member informed us that they wished to resign before 2025. One institution has informed us that they intend not to renew for 2025.

As of 1 March 2025, 145 members of all types have already renewed their memberships (not including the honorary and life members), as have 32 institutional subscribers.

So far in 2025 we have 6 new subscriptions (4 members, 1 new family member and 1 new institutional member).
